UNPRECEDENTED TIMES CALL FOR TRUSTED LEADERSHIP

When Bryan Desloge first ran, he promised us that he was ready and willing to **work hard**, **work responsibly**, and **work honestly**. He is still doing that, and during a global pandemic that commitment is critical. Bryan has worked around the clock to keep Leon County residents safe and fought to launch several efforts to maintain our community's strong, vibrant economy, including first-in-state grant programs for small businesses and charities impacted by COVID.

The fight isn't over yet — **Leon needs strong leadership** and Bryan Desloge is that leader.
